Holds an M.Tech degree with specialization in Software Engineering Karunya University. Has 8 and a half years of teaching experience in KRGCE and SNC and have been working in THE COCHIN COLLEGE for the past 1 year.

PUBLICATIONS AND PRESENTATIONS

Participated in IEEE ICCIC 2011 conference in Cape Institute of Technology and presented a paper titled "**A Comparative Study on Improving Job scheduling Algorithms in Grid Environment**".

Published a paper titled "**Enhanced Hierarchical Load Balancing Algorithm in Grid Environment**" in the International Journal, IJSER.

Published a paper titled "**Augmented Hierarchical Load Balancing Algorithm with Intelligence**", in the International Journal, IJGDC.

CERTIFICATIONS

Completed an FDP on "**Outcome based pedagogic principles for Effective Teaching**" by NPTEL .

Completed an online course on "**Outcome based pedagogic principles for Effective Teaching**" by NPTEL.

Certification in "**Big Data Computing**", an online course by NPTEL.
