

Career Opportunities in Commerce-1

On 7th August, 2023 three teachers –Dr.Rekha.P.G, Dr.Lakshmisree.R and Dr.Kochuthresia Jose representing the Post Graduate and Research Department of Commerce took career counseling class for Commerce Twelfth Standard Students of Tirumala Devaswam Higher Secondary School, Thuravoor. The session started at 3.00 pm and ended at 4.30 pm. The session was taken for 150 students belonging to three different streams of Commerce i.e. Commerce Maths (1 Batch of 50 students), Commerce Computer Science (2 Batches of 50 students each). The session was mainly intended to give an insight into the various degree courses available for students after their plus two studies. The students were briefed about the opportunities available after taking Commerce as main stream in their higher secondary school. Students were made aware about professional courses like Chartered Accountant, Company Secretary Course, Cost and Management Accountancy Course as well as about Diploma courses. The session was an interactive session .The session was handled using Power Point Presentation and with examples.
