13	Detailed Report	A career orientation for the new batch 2023-26 was Organised on 10 July 2023. The resource person was Dr Vineeth Kumar T V, Assistant Professor &, Department of Zoology. The orientation was mainly on higher education prospects and career prospects in life sciences. The session was very fruitful for the parents and the new batch of students. The session was followed by Alumni interaction, Ms Noorjahan (2017-2020), currently research scholar at CUSAT, interacted and shared her experience in the department as well as her journey from a UG student to a research scholar. The session was organised so as to motivate and encourage young minds.
