

REPORT ON THE WEBINAR

The PG Department of Chemistry has organized a webinar on “**Computational Chemistry and its Applications**” on 27/July/2023 (Thursday) between 6.00 PM to 8.00 PM, through the Google meet platform. The lecture in this webinar was given by **Dr. Ratheesh Krishnan, Assistant Professor, Department of Chemistry, GOVT WOMENS COLLEGE, THIRUVANANTHAPURAM.**

Ms. Vidya Joseph, Assistant Professor and Head, PG Department of Chemistry chaired the session and delivered welcome address. Ms. Georgina Grace, Assistant Professor introduced the resource person **Dr. Ratheesh Krishnan.**

Dr. Ratheesh Krishnan has delivered a lecture on the topic “Computational Chemistry and its Applications”. He explained about the importance of computational chemistry in modern scientific research. He specifically focused on the origin and future aspects of computational tools in research.

We received good response from the students and also they gave very good feedback. The resource person thanked the organizers for arranging the live webinar. At the end of the webinar Ms. Noufiya T N, Assistant Professor delivered the vote of thanks. He thanked the resource person, Management, HoDs, Faculty members, students and other officials for their active support for making the programme to be successful.
