DEPARTMENT OF BOTANY

WORLD ENVIRONMENT DAY (05/06/2023) CELEBRATIONS

'EPOXY'

The Department of Botany in association with the Department of Biochemistry and Biotechnology and the Bhoomithra Sena Club celebrated World Environment Day on 21/06/2023. The theme of this year's World Environment Day was 'Beat Plastic pollution'. The students of the Botany Department made different decorative items from used plastic containers and bottles. Some of the items were flower vases, flower pots, pendants and earrings made from epoxy resin, dream catchers etc. An exhibition cum sale was arranged by the Department on 21/06/2023 at the Botany Lab from 10.30 AM to 1.30 PM. Principal Dr. M. Geetha inaugurated the function. Faculty and students from other departments gave overwhelming responses. The students decided that the amount collected from the exhibition will be donated to the needy people.
